Subject: Contract NYCMUM1070: Col Vijay Reddy - Thank you for the Excellent Services

Dear Mr. Shyam Kumar,

I want to keep you informed that I received my household goods intact in India and all is well. I want to thank you for your services at NY. I am particularly thankful and most satisfied at the excellent services I received from the Mumbai Company associated with your company. Mr. Chandrakant Thakker, Mr. Yogesh Thakker and their staff are excellent people and it was a pleasure interacting with them. They made the entire process so easy and enjoyable. Everything was done in a most professional and trouble free manner. The Thakker brothers are the finest people one can meet, professionally and as fellow-citizens of India. I say this most sincerely and from the bottom of my heart. I will recommend Worldwide to everyone that requires to move from the USA to India.

Thank you again.
Regards,
Vijay Reddy
