Subject: Thank You - Goods reached successfully and safely-Contract # NYCCHI3129

Hi Anand,

All my shipping goods reached my home in Chennai very safely and on the date as promised. Everything was smooth and the contact person Mr Satish here was also very helpful in getting the goods delivered at the right time without any hitches. I am very happy I chose your company-Special thanks to all of you who supported me in this transfer.

Many thanks again
