Dear Anand,

Thank you for your incredible efficiency and service in dealing with my shipment to Bangalore. It has been a pleasure to deal with you and I will tell many of my friends about your company. In this context, one of my close friends wants to know the cost of shipping a car from New York to Manila. Could you please give me an estimate.

You can send the refund check to Pernacca Sudhakaran, 212, East 84th Street Apt 3b, Ne2w York, NY 10028.

Thank you again for your wonderful service.

All the best,

Sudhakaran
