Subject: RE: SHIPMENT STATUS FOR NYCCHI 3172

Mr.Anand

Wanted to thank you for having sent the shipment in a well organized manner, the madras contact person was extremely helpful and very professional. I really appreciate all his efforts and coordination in getting the consignment cleared and delivered at home without any ifs and buts. I sure would recommend him and world wide for all transactions that my friends may have.

Thanks once again and thanks to Sathish.

Regards

Iyappan
