Subject: SHIPMENT STATUS FOR OUR REF: NYCBANG6319

Dear Anand and Shivakumar

We have received our shipment today. All the items have been received and are in good condition based on the boxes we opened so far. Also the clearance at the B'lore container office was also pretty smooth. We thank for your great professional service. It was a smooth operation from the beginning till the end. Feel free to quote my name as a reference for you.

I have already recommended your names to some new engineers who are coming to Ittiam from US. Also I have mentioned your names to a potential engineer who may be relocating from B'lore to Austin

thanks
