Subject: Shipment received - Thanks!

Hi Anand,

I received my shipment, NYCMUM1192 a couple of weeks ago. Thanks!

However, I have not been able to open it because there is a lot of renovation work going on in our house. Therefore I don't know yet whether anything was damaged or not. All the boxes seem to be intact, but, you never know when you open it.

Is there a deadline till which I have to report any damages during the transit? Please let me know, and once again thank you and Worldwide for handling my shipment.

I will definitely recommend your company to my friends who are returning to India from the USA.

Thanks,
Sandesh.
