Subject: FULL & FINAL CONTRACT FOR OUR REF: SFOHYD7020

Mr Rakesh Kumar:

We took possession of our goods yesterday. All were in one piece--thank you(--:)

Except for the delay of about a week or so, which you promptly cleared up, i am very happy with your service. I would definitely recommend your company without any reservations on occasion when somebody approaches me for my opinion on relocation services to India.

Great job!

Thanks

Srinivas
